This year we will be offering students the option of purchasing lunch both on **Monday** (from Sub-Way & Pizza) and/or on **Friday** (pizza from Papa Gino's).

Monday – Sub-Way & Pizza on Union Avenue will be providing sandwiches and pasta this year. The cost is \$5.00 per meal, which includes either a half-sandwich (roast beef or turkey with lettuce and tomato on whole wheat bread) or ziti (with sauce or with butter), and milk or juice and a fruit or applesauce cup. If you wish to order a second half-sandwich the cost will be an additional \$2.50. Please check off your choices on **the attached sheet** (one per child), noting whether your child would prefer not to have lettuce and tomato on their sandwich. While you may choose between milk or juice, everyone will receive the same fruit choice each week, but the selection will vary.

The price for participation in the first half of the year will be \$70 (\$5/week x 14 weeks). Please remember, however, to add \$2.50 for each additional half sandwich

Papa Gino's will again provide the pizza for **Pizza Fridays**. In addition to two slices of pizza, each child will also receive a juice box and either seasonal fruit or vegetables. (Popular offerings last year included fresh strawberries, clementines, baby carrots and cucumber slices and pepper slices with Ranch dressing). The cost is \$5.00 per week per child.

The price for participation in the first half of the year will be \$70 (\$5/week x 14 weeks).

Please make checks out to Summit Montessori School, include your check with this form, and **please return both check and order form by August 26.**
