

Aloha in April-A Luau Fundraiser

April 9, 2011

Framingham Country Club

Dear Parents,

For those of you new to the school, our annual event is a great way to socialize and raise money for Summit. The tuition at an independent school covers only a portion of the actual cost of a student's education. The difference must be made up through contributions to the Annual Fund and fundraising events. Funds generated by our annual event directly support educational programs, teacher resources, and help maintain our high standard of educational excellence.

The Luau will be a fun night with parents, friends and supporters of Summit. There will be a silent auction, live auction and much, much more! Auction items include creations from your child's class that are one of kind pieces you won't want to miss. There are also tickets to sporting events, museums, restaurants and services in the area.

The success of our auction depends on generous donations from businesses and parents who share the common goal of providing our children with an excellent education.

What could you donate? We are always looking for new and creative auction items. No donation or service is too small! Please return the attached form ASAP as we are working to collect our auction items now. If you are willing to approach a local business, we can provide you with the official auction solicitation letter. If you have any questions about donations, please contact Diane Michelson at rdmichelson@comcast.net or call (508) 380-5380.

New for this year! We plan to build a *WINE TOWER* to raffle at this year's auction. We are asking each family to donate a bottle of wine. This is a fun and inexpensive way to support the auction. So check your wine rack and drop off a bottle in the school office during Curriculum Night, Conference Day or your next visit.

Thank you!

The 2010-11 Auction Committee
